

Call for Participation

We invite you to join us in **3rd International Conference on Computational Science & Applications (COMSAP 2025)**.

This conference will Computational science is interdisciplinary fields in which mathematical models are combined with scientific computing methods to study of a wide range of problems in science and engineering. Modelling and simulation tools find increasing applications not only in fundamental research, but also in real-world design and industry applications. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on understanding modern Computational research trends and applications to establishing new collaborations in these areas..

Highlights of COMSAP 2025 includes:

- 3rd International Conference on AI & Civil Engineering (AICiViL 2025)
- 3rd International Conference on Information Science and Techniques (ISTECH 2025)
- 3rd International Conference on Information Technology, Control and Automation (ITCAU 2025)
- 3rd International Conference on Computer Science, Information Technology & AI (CSITAI 2025)
- 3rd International Conference on Advanced Computational Intelligence (ACINT 2025)
- 3rd International Conference on Energy (ENERGY 2025)
- 3rd International Conference on Operations Research and Applications (CORAJ 2025)
- 3rd International Conference on Mathematics, Computer Science & Engineering (MATHCS 2025)
- 3rd International Conference on Information Theory and Machine Learning (ITEORY 2025)

Registration Participants

Non-Author/Co-Author/Simple Participants (No Paper)

100 USD for Online (Without Proceedings)

450 USD for Face to Face (With Proceedings)

Here's where you can reach us: comsap@csitai2025.org or comsapconf@yahoo.com
